PETITION

We, the residents of Cedar Brae Crescent, hereby formally demand that the City of St. John's do something about our Crescent. We are living on this Crescent that was developed in the early-1970's, and the original pavement remains untouched. There are no sidewalks, there is no fire hydrant, there is no water or sewer. We demand to know when we may we expect these basic services.

<u>NAME</u>	<u>ADDRESS</u>
Sandra Osmond	9 Cedarbrae Cres
Suzanne Osmond	23 Cedarbrae Cres
