### **DECISION/DIRECTION NOTE**

Title:	48 Allandale Road Request for Noise By-Law Exemption
Date Prepared:	October 26, 2016
Report To:	Mayor O'Keefe and Members of Council
Councillor and Role:	N/A
Ward:	4

### **Decision/Direction Required:**

To provide direction on the request from Bell Aliant for an exemption to the Noise By-Law for work they are undertaking to replace a main service utility transformer.

### **Discussion – Background and Current Status:**

Bell Aliant need to replace the main service utility transformer at their plant at 48 Allandale Road. Once this work commences the backup generators need to be operated continuously until the work is complete or else there will be no power to the province's communications equipment. The work is scheduled from 7:00 a.m. on November 25 to 6:00 p.m. on November 27. The City's Noise By-Law Section 3(5) prohibits the operation of any equipment in connection with construction between 11:00 p.m. and 7:00 a.m. in or within 100m of a residential zone. The by-law also states that any person can apply to Council for an exemption of the by-law.

### Key Considerations/Implications:

- 1. Budget/Financial Implications: N/A
- Partners or Other Stakeholders: Bell Aliant; Provincial Government; End users of Bell Aliant's communications equipment; and Area residents.
- 3. Alignment with Strategic Directions/Adopted Plans: N/A
- Legal or Policy Implications: St. John's Noise By-Law No. 1405
- 5. Engagement and Communications Considerations: Area residents will have to be advised of the exemption.
- 6. Human Resource Implications: N/A

- 7. Procurement Implications: N/A
- 8. Information Technology Implications: N/A
- 9. Other Implications: N/A

#### **Recommendation:**

It is recommended that Council grant the exemption to enable completion of the work.

Subject:	Request for Noise By-Law Exemption - Service Transformer Upgrade 48 Allandale Road

Hello Jason,

Regarding the below I discussed with Randy this morning and he indicated that requests for exemption are to be submitted to you for approval at the Monday council sessions.

Originally the attached letter to the residents proposed 2 work activities that were outside the St. John's noise by-law:

### o Work Activity #1: Replacement of Automatic Transfer Switch

- Time: November 5, 6pm-6am
- This work is required to address a delay requirement needed during generator testing

### • Work Activity #2: Main Utility Service Transformer Replacement

- Time: November 25, 7AM –November 27, 6pm
- This work is a requirement to address growing power needs at the Allandale CO and is the final element required following our recently completed panel change outs which were just approved by the City.

#### Upon review we offer the following: • Work Activity

- Work Activity #1: Replacement of Automatic Transfer Switch
  - Time: Move to regular working hours and do not complete overnight no exemption required
  - We feel we can mitigate the risk appropriately on this ticket to perform the work during regular operating hours.
- Work Activity #2: Main Utility Service Transformer Replacement
  - Time: Maintain November 25 7AM –November 27 6pm time window and request exemption
  - Due to the amount of time required to remove the transformer and upgrade the service we cannot operate outside of the restrictive timeframes.
  - Once we commit to removing the existing service transformer we have to run the generators for the building to maintain the power to the communications equipment for the Province until the new utility is connected.

For Work activity #2 it should be noted that the generators running in the parking lot were installed in consultation with the City and were installed with sound attenuated enclosures to mitigate noise as much as possible.

Attached is the original notice that was proactively submitted to Residents for the Council's reference – I would ask that work activity #2 be brought forward for exemption approval at the Monday October 31

Council session and if any additional details are required feel free to let me know and I will provide them.

Thank you and I am available to discuss at your convenience.

Regards,

Dear Resident,

Bell Aliant would like to provide an update to you on project work taking place at our Central Office at 48 Allandale Rd.

A new transformer is being installed and we are also upgrading some of our switchgear equipment.

We expect the switchgear upgrade to occur Nov 5 with a 6pm-6am window to complete the work. During this time, we will be running one portable generator to support some of the systems while the change out is being completed.

The pad mount utility transformer change out is planned for November 25-27 inclusive and will require the building to run on the buildings primary generator system for the duration of this time. There will also be some mini excavator work to complete the required civil work to support the new service to the building.

For operational and logistical reasons exact timeframes may change as dates approach.

On behalf of Bell Aliant, we thank you for your patience and apologize for any inconvenience. Should you have any questions or concerns please contact me at 709-752-0178.

### DECISION/DIRECTION NOTE

Title:	St. John's Development Regulations Amendment Number 645, 2016 Adoption to rezone Land to Residential Low Density (R1) Zone PDE File: REZ1600009 72 Circular Road
Date Prepared:	October 24, 2016
Report To:	His Worship the Mayor and Members of Council
Councillor & Role:	Councillor Art Puddister, Chair, Planning and Development Committee
Ward:	2

### **Decision/Direction Required:**

To seek approval of Council to adopt St. John's Development Regulations Amendment 645, 2016.

### **Discussion – Background and Current Status:**

The subject property is a through lot with frontage on Circular Road and Empire Avenue. The proposed application is to rezone 72 Circular Road from the Residential Special-1 (RA1) Zone to the Residential Low Density (R1) Zone to allow the development of a new 450m² residential lot with frontage on Empire Avenue. The subject property is currently zoned Residential Special-1 (RA1) which requires a minimum Lot Area of 740m². The proposed Residential Low Density (R1) Zone has a minimum Lot Area of 450m². The subject property has sufficient area to accommodate 2 Residential Low Density (R1) lots, the new lot with frontage on Empire Avenue and the remainder lot with frontage on Circular Road, as shown in the attached survey plans. A Municipal Plan amendment is not required.

At a Regular Meeting of Council held on June 28, 2016, Council accepted the recommendation from the Planning and Development Committee to hold a public meeting, Council Directive CD#R2016-06-28/15. The public meeting, chaired by Councillor Breen, was held on October 12, 2016 at City Hall. The minutes of the public meeting will be included in the agenda for the regular meeting of Council.

The owners of 6 Carpasian Road and 85 Empire Avenue, (2 undersized lots in the Residential Special-1 (RA1) Zone in close proximity) were contacted to see if they would be willing to be included in the proposed rezoning however, they advised that they wish to remain in the Residential Special-1(RA1) Zone.

### Key Considerations/Implications:

- 1. Budget/Financial Implications: N/A
- 2. Partners or Other Stakeholders: N/A
- 3. Alignment with Strategic Directions/Adopted Plans: Neighbouring residents and property owners.
- 4. Legal or Policy Implications: N/A

- 5. Engagement and Communications Considerations: N/A
- 6. Human Resource Implications: N/A
- 7. Procurement Implications: N/A
- 8. Information Technology Implications: N/A
- 9. Other Implications: N/A

#### **Recommendation:**

It is recommended that Council adopt St. John's Development Regulations Amendment Number 645, 2016, which has the effect of rezoning 72 Circular Drive from Residential Special-1 (RA1) to Residential Low Density (R1). If the attached amendment is adopted by Council, it will then be referred to the Department of Municipal Affairs with a request for Provincial Registration in accordance with the provisions of the *Urban and Rural Planning Act*.

Public Meeting Wednesday, October 12, 2016 7:00 p.m. Foran/Greene Room, 4th Floor, City Hall

Present: Councillor Danny Breen, Chairperson Ken O'Brien, Chief Municipal Planner Arthur MacDonald, Heritage Planner Stacey Fallon, Legislative Assistant

Also present: Ms. Doreen Neville, the Proponent

There were six people in attendance at the meeting.

### PURPOSE OF MEETING

The purpose of the meeting was to discuss the following application:

The City received an application to rezone 72 Circular Road from the Residential Special – 1 (RA-1) Zone to Residential Low Density (R1) Zone for the purpose of subdividing the lot, enabling the development of a new lot with frontage on Empire Avenue for the development of a single detached dwelling.

No written submissions were received.

### CALL TO ORDER AND BACKGROUND PRESENTATIONS

Councillor Breen called the meeting to order, he thanked everyone for coming and introduced the head table. After defining the process for the meeting he handed the floor over to Arthur MacDonald with the City's Planning Department.

The following documents were included in the public meeting agenda:

- Location Map
- Survey Plan

Arthur MacDonald, the Heritage Planner advised the residents that the application was to rezone 72 Circular Road for the purpose of subdividing the lot, enabling the development of a new lot with frontage on Empire Avenue for the development of a single detached dwelling.

The subject property is designated Residential Low Density and zoned Residential Special-1 (RA-1) which requires a Lot Area of 740m². The applicant has applied for

rezoning to Residential Low Density (R1) which has a reduced Lot Area requirement of 450m2.

The proponent spoke to the application advising that she has been a long time resident who wishes to stay. She noted her plan was to build a smaller home and sell the existing home. She spoke to the Municipal Plan with regard to the increase density and compact urban form to reduce cost of services and increase tax base. She told the residents that she was a good neighbor and would not build anything hideous that wouldn't fit in with the neighbourhood.

### **DISCUSSION FROM THE FLOOR**

- The abutting property owners had no concerns with this application and was not only ok with Ms. Neville's application, but very supportive of it.
- An area resident had concerns with changes to zoning of property continuously. She noted we have a City Plan but we continue to come to City hall to make changes to it.

Ken O'Brien, the Chief Municipal Planner explained that there are two ways to operate in planning. One way being having a set plan for five years and not allowing any changes to be made and the other being to accept the applications and deal with them individually, which is the way the City operates. This may mean a dozen or so rezoning's happen per year. Each rezoning application is evaluated on its merits and in light of the Municipal Plan's policies.

Questions were asked and answered on the below noted:

- Height requirements
- Possibility of other uses later ie. daycare
- Parking and design

### CONCLUDING REMARKS

Councillor Breen thanked everyone for coming and advised that the matter will be referred to Council for review in two to three weeks.

### ADJOURNMENT

The meeting adjourned at 7:15 p.m.

### REPORT

### 1. Decision Note dated June 13, 2016, re: Watershed/ Municipal Boundary Delineation prepared by the Director of Public Works.

The Director of Public Works briefed the Committee on the above noted. Discussion took place with clarification provided of the minor changes to the Municipal Boundary to clearly define the line and separate it from the Watershed Boundary.

### Moved – Councillor Galgay; seconded – Councillor Puddister

**Recommendation:** 

- Council adopt the modifications to the City of St. John's Municipal Boundary
- Council approach the Towns of Paradise and Portugal Cove-St. Phillip's and garner their support for these modifications.
- All three Towns collectively submit the proposed municipal boundary changes to the NL Provincial Minister for Municipal Affairs for final approval and have the appropriate Legislative Orders be amended.

### 2. Decision Note dated September 28, 2016 re: Bi-Weekly Garbage Collection prepared by the Director of Public Works

The above noted was provided to the Committee. The purpose of the above is to defer further review or adoption of a bi-weekly garbage collection schedule until such time that organics collection has been implemented.

### Moved – Deputy Mayor Ellsworth; seconded – Councillor Hickman

### **Recommendation:**

It is recommended that Council defer further review of bi-weekly garbage collection until such time that City surpasses 50% waste diversion rates and/or adopt a waste organics collection program.

### CARRIED UNANIMOUSLY

### 3. Decision Note dated October 5, 2016, re: Collection of Recycling at Multi-Story Condominiums prepared by The Manager of Waste and Recycling and the Director of Public Works.

The Director of Public works briefed the Committee on the above noted. The purpose is to request the Committee to approve a change in our present policy with respect to collection of recycling at multi-story condominiums. The change will allow the condominiums to set out to the street curb an unlimited number of recycling bags on collection day.

### Moved – Councillor O'Leary; seconded – Councillor Puddister

### **Recommendation:**

The Waste and Recycling Division has found the approach employed in the pilot testing has worked and is recommending to move forward with city-wide implementation of recycling collection at condominium complexes that meet the following conditions:

- Vehicle entrances to the site must be on streets that can be serviced by a City garbage truck. Recycling can only be collected from public streets.
- All recycling must be set out to the public street curb by 8:00 am and be in blue transparent bags.
- Recycling must be sorted properly.
- Any bags with improper materials will be left behind.
- One individual must be identified (name and contact information documented) as the main point of contact for the condominium complex and must take responsibility for the recycling materials that are set out.
- There will be no limit on recycling bags allowed to be placed at the curb for collection.

CARRIED UNANIMOUSLY

### 4. Decision Note dated October 7, 2016, re: Century Park Redevelopment prepared by the Manager of Parks and Open Spaces.

Councillor Jonathan Galgay provided the Committee with some background on the above noted. The Manager of Parks and Open Spaces also elaborated on it. The Purpose of the note was to seek approval for the City of St. John's to undertake the redevelopment of Century Park, Hayward Avenue. Discussion followed the recommendation follows.

### Moved – Councillor Galgay; seconded – Deputy Mayor Ellsworth

**Recommendation:** 

- Engage Trace Planning and Design to develop the concept and design the park.
- Project be funded from Capital out of revenue if funds permit and otherwise out of the Open Space Reserve Fund created to provide open spaces and parks in areas that are deficient and have no large scale development taking place.

CARRIED UNANIMOUSLY

### 5. Reopening Sections of Rivers

Councillor Puddister questioned if it was possible to open up sections of the rivers and if this was feasible. The question of cost as well as if there are any concerns or long term effects. It was suggested that we look at a pilot project to do just one for Council to be able to give consideration.

### Moved - Councillor Puddister; seconded – Councillor O'Leary

That Staff complete an analysis on opening one river as a pilot project to be brought to Council for approval.

CARRIED UNANIMOUSLY
