Schedule of Prices

The Bidder hereby Bids and offers to enter into the Contract referred to and to supply and do all or any part of the Work which is set out or called for in this Bid, at the unit prices, and/or lump sums, hereinafter stated. HST is calculated in a separate table. In lawful money of Canada.

Electronic Bid Submission

The first table is a Summary Table which provides your Sub-Total for each pricing table and also indicates whether or not the table is mandatory or not. Asterisk's within the table denotes a "MANDATORY" line item.

If the line item and/or table is "NON-MANDATORY" and you are not bidding on it, leave the table and/or line item blank. Do not enter a \$0.00 dollar value unless you are prepared to provide the line item at zero dollars to the Owner.

If a table is "NON-MANDATORY" and you are bidding on it, you must bid on all line items with an asterisk.

If there are multiple tables, you must click the "EDIT PRICING" button inside the Summary Table to display the applicable Pricing Table that you wish to bid on.

Subcontractors

Refer to the bid document for the specific requirements for subcontractors.

Declaration of Subcontractor(s)

Appendix D - ITT Particulars

Other Mandatory Submission Requirements

Bidders are required to list the names of subcontractors, manufacturers, and suppliers if such requirement is specifically required. Failure to do so, where such is required, and at the time of Tender submission shall render the Tender incomplete.

If the work is to be performed by the Bidder, the check the box indicating, "By Own Forces", shall be checked. To be considered valid and satisfactory, the Bidder shall be recognized as a "bona fide" contractor, manufacturer or supplier of that particular trade or item. Names from the Subcontractors list may be released by the Owner.

Bidders shall retain the right to substitute other names for any trades in the event of any of those named become bankrupt or insolvent after the date hereof. Any such substitution shall be subject to the approval of the Owner and contingent upon satisfactory evidence of bankruptcy or insolvency.

By clicking here I confirm that there are no Subcontractor(s) and the Bidder shall perform the project with their "OWN FORCES".

Documents

Ensure your bid submission document(s) conforms to the following:

1. Documents should be in PDF format and be compatible with Adobe version 5 or higher. Documents may also be submitted in Microsoft Word or Microsoft Excel format (version 2010 or 2013). Vendors should only submit these file types unless specifically requested to submit other file types that may be required for a specific proposal. If the City requires video or audio files do NOT upload video or audio files here.
2. Documents should **NOT** have a security password, as the City of St. John's staff may not be able to open the file.
3. The maximum file upload size is 500MB. To reduce the document size, Proponents may zip/compress files for upload. Also, if a vendor requires to upload more than one (1) document, the vendor may combine the documents into one zipped/compressed file, as per the instructions below. Zipped files must be named accordingly for the submission and must not be password protected.
4. When uploading a file please ensure each document is named, in relation to the submission format item responding to, for example, if responding to the Previous Experience category save the document as "Previous Experience".

5. It is the vendor's sole responsibility to ensure that their uploaded document(s) are not either defective, corrupted or blank and that the documents can be opened and viewed by the City of St. John's staff. The City of St. John's may reject any Bid where any document(s) cannot be opened and viewed by City staff.
