Cruise Committee Report dated May 30, 2007

Council considered the following Cruise Committee Report dated May 30, 2007:

In Attendance: Deputy Mayor Dennis O=Keefe, Chairperson

Councillor Ron Ellsworth

Mr. Kevin Gushue, Manager of Tourism Development Ms. Deborah Cook, Tourism Development Coordinator Ms. Dawn Corner, Supervisor of Traffic & Parking Mr. Chris Pitcher, Supervisor of Parking Services

Mr. Todd Lehr, Tourism Analyst

Mr. Shane Pomeroy, Tourism Co-op Student Ms. Karen Chafe, Recording Secretary

1. Cruise Ship Activity

The Committee considered as information, the statistics for cruise visits to St. John's and their economic impact since 1985. The economic benefits of the industry have been steadily increasing over the years with 2006 seeing the largest economic impact with a total of \$2,409,000. The estimate for 2007 is \$2,142,000, however, it should be noted that this is mainly attributed to the loss of two major regular cruise lines whose vessels will be in dry dock this year.

It should be noted that the forecast for 2008 will see a significant improvement over the 2006 impact. So far, 22 cruise visits are booked, with a conservative economic impact of \$3,572,000. It is anticipated, however, that the numbers will significantly increase for that year, if the early booking trend is any indication.

2. **Port Security Procedures**

Staff advised the Committee of Transport Canada's implementation of enhanced security procedures for all Canadian ports, the purpose of which is to combat terrorist threats. These procedures will become mandatory for St. John's Harbour by 2008. The St. John's Port Authority, however, will be implementing the procedures during the 2007 season to ensure a smoother process prior to actual mandatory implementation. Port workers and those doing regular business with cruise ships will require Transport Canada Security Clearance and will be required to have security clearance cards before entering restricted secure areas surrounding vessels at dockside. Those not possessing identity cards will be prohibited from entering this secured area. Port workers will include anyone associated with the coordination of cruise visits and this will impact some City staff. As for how volunteer ambassadors and entertainers will be impacted, this remains to be seen. The City will work with the Port Authority to coordinate this effort and the Committee will be kept apprized as the process unfolds.

3. St. John's/Bonavista Partnership

Deputy Mayor O'Keefe and Tourism Development Coordinator, Deborah Cook met with the Mayor of Bonavista, Betty Fitzgerald and Parks Canada representative Ella Henehan to discuss the idea of the City of St. John's partnering with the Town of Bonavista and other partners in the region to enhance opportunities for the cruise ship industry which would be beneficial to both municipalities. The City could act in a mentoring capacity to the Town while at the same time promoting Bonavista's significant historical culture. All parties are quite enthusiastic about this positive initiative.

The Committee recommends Council's approval-in-principal of the partnership between the City of St. John's and the Town of Bonavista which will foster and enhance the cruise trade industry of both municipalities while offering more variety of the product already established. In addition to

these municipalities, the partnership will also include Parks Canada and the Cruise Association of Newfoundland and Labrador.

(Councillor Ellsworth retired from the meeting at 12:40 p.m.)

4. Report on Sales Calls

Staff provided an update on the above noted matter wherein a delegation from Cruise St. John's traveled to Miami, Fort Lauderdale, Los Angeles and Seattle from February 18th to the 23rd to meet with cruise line executives. Members of this delegation included representatives from the City of St. John's and the St. John's Port Authority. Major companies contacted were Norwegian Cruise Lines; Carnival Cruise Lines; Regent Seven Seas Cruises; MSC Cruises; Princess/Cunard Cruises; Crystal Cruises; Arctic Odysseys; Holland America Line; and Mr. Herman van Deursen, a consultant for multiple cruise companies. The feedback from these meetings proved very positive with great interest being shown in the new and diversified itineraries presented by CANAL. The majority of these cruise lines have scheduled visits to St. John's for 2007 and 2008 with others planning to include the destination over the long-term. The St. John's Delegation consisting of Deputy Mayor O'Keefe, Deborah Cook, Sam Walters and Bob McCarthy was commended for its joint approach in promoting the City of St. John's, noting that such partnerships demonstrate a commitment to the industry that ensures more successful cruise visits.

5. **Familiarization Tour**

Mr. Timothy Littley of Holland America Cruises will be visiting the City of St. John's on a familiarization tour on July 1 and 2. The trip is an extension of his visit to other parts of Canada, in particular Quebec.

Economic Update

Council considered as information the Economic Update June 2007.

Letter dated May 30, 2007 from His Worship the Mayor to the Honourable Gary Lunn, Federal Minister of Natural Resources and the Honourable Loyola Hearn, Federal Minister of Fisheries and Oceans re: Section 49 of the Atlantic Accord_____

Council considered as information the above noted letter from His Worship the Mayor to the Honourable Ministers Lunn and Hearn, referencing Section 49 of the Atlantic Accord – "The Government of Canada shall establish in the province, where possible, regional offices with appropriate levels of decision-making for all departments directly involved in activities relating to the offshore area." The Mayor points out that while Section 49 of the Atlantic Accord is quite explicit, it is his firm belief that the Federal Government like its predecessor is not living up to the commitment made under Section 49 of the Atlantic Accord. He asked to be provided with a breakdown of amounts direct and indirect and the number of jobs created through these expenditures in Nova Scotia and in Newfoundland and Labrador and elsewhere such as Ottawa and Calgary. The Mayor pointed out that while our province represents 80% of the industry activity in Atlantic Canada, we are not getting anything near 80% of the R & D activity in spite of the commitment made in Section 49 of the Act.

During discussion, Councillor Puddister noted that it is his understanding that the licensing division of the Federal Department of Energy for Offshore Licensing Division is actually located in Calgary and is an issue he will pursue with Minister Hearn in an attempt to have the division relocated to St. John's.

Email to Mayor Wells from Diana S. MacKay, Associate Director, Education and Learning, The Conference Board of Canada, inviting the City to be represented for the inaugural meeting of their Government Policy Roundtable on Immigration, in Ottawa, June 21, 2007____

His Worship the Mayor advised that he will not be available to attend this conference on immigration and asked that anyone interested in attending submit their request to Council for approval.

Deputy Mayor O'Keefe advised that interestingly enough, this past Friday he met with the Austrian Ambassador to Canada and one of the issues discussed along with the protocol people from the Provincial government was the declining population of Newfoundland and Labrador and the economic impact it is having on the province which will result in discussions on immigration in the past and in the future and how it could be one of the saviors of Newfoundland and Labrador in terms of bringing in people, culture, talent, diversity etc.

FCM - One Cent of the GST

His Worship the Mayor tabled an email dated June 4, 2007 from Robert Ross, FCM concerning a resolution adopted by the Federation of Canadian Municipalities at their annual conference in Calgary, June 2, 2007 calling on the Federal Government to share the equivalent of one cent of the GST with municipal governments so they can invest in the future prosperity of their communities. The Mayor noted that this is an important initiative that he estimates could be worth between \$15 to \$18 million to the City of St. John's if adopted by the Federal Government. There will be a public relations campaign coast to coast and a national strategy developed and he will likely serve on an advisory committee with big city mayors to work towards the issue making the political agenda.

Councillor Hann

Councillor Hann asked that His Worship the Mayor on behalf of Council write a letter of congratulations to broadcaster Elmer Harris, who was awarded the Life Time Achievement Award for Broadcasting, being only one of four broadcasters from Newfoundland and Labrador to receive this Award.

Councillor Hann offered condolences on behalf of Council to the family of the late Ken Ash, Operations Manager, VOCM.

Councillor Puddister

Councillor Puddister reminded residents of the meeting regarding the development of the Pleasantville lands, scheduled for June 12, 2007 at 7:00 p.m. at the Royal Canadian Legion in Pleasantville.

Councillor Coombs

Councillor Coombs raised the issue surrounding Destination St. John's and their request that the City enter into discussions to alter the terms of the MOU with respect to the Accommodation Tax. Members of Council do not support the request, which to the best of their knowledge had not been sanctioned by the Executive Committee, and through the Mayor's office were advised of Council's decision to seek legal advice, and as well were asked for information pertaining to the manner in which the issue was pursued. Councillor Coombs advised that to date no response has been received. It was also noted that in response to a recent request from a City official for a letter from Destination St. John's supporting the City's application to ACOA for marketing support for "St. John's Time", the General Manager, declined to do so. Due to the fact that the issues have not to date been satisfactorily resolved Councillor Coombs made the following motions:

SJMC2007-06-04/308R

It was moved by Councillor Coombs; seconded by Councillor Puddister: That the City withdraw its financial support for Destination St. John's in the amount of \$25,000.00.

The motion being put was carried with Councillor Hann abstaining.

SJMC2007-06-04/309R

It was moved by Councillor Coombs; seconded by Councillor Ellsworth: That the Board of St. John's Sports and Entertainment Ltd. be requested to withdraw their financial support from Destination St. John's.

The motion being put was carried with Councillor Hann abstaining.

SJMC2007-06-04/310R

It was moved by Councillor Coombs; seconded by Deputy Mayor O'Keefe: That His Worship the Mayor, on behalf of Council, write Destination St. John's Board of Directors, to ask if the Board of Directors of the organization supported the representation to the Provincial Government to alter the terms of the MOU on the Accommodation Tax, as well as representation by Mr. Buist to ACOA not supporting St. John's' application for tourist funding; and if so that the minutes documenting the pertinent resolutions be made available to the City.

It was suggested during discussion that the Provincial Ministers of Municipal Affairs and Tourism be copied on the correspondence to ensure they are aware of Council's action.

The motion being put was carried with Councilor Hann abstaining.
